Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.

Printed versions are available from school districts upon request.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Hilton Head Island Middle School, an authorized International Baccalaureate School of the Middle Years Program, is located on the north end of the beautiful Hilton Head Island with outstanding parental support. The extensive work of so many dedicated parents of our Parent Teacher Association allowed us to increase opportunities of our students beyond the academic classroom. In addition to after school clubs this year, 9 students were elected to the all-county band and our Honors Orchestra participated in the USA music festival, receiving a superior rating. HHIMS continued to have a record of success at the Regional Science Fair. This year's students received the following honors; 16 students received honorable mention awards, 2 students received 3rd place awards, 2 students received 1st place awards, and 1 student placed 1st in Best in Show. The 2013-14 athletic teams had successful seasons in football, cheerleading, basketball, volleyball, wrestling, baseball, softball and track.

In an effort to help students struggling with course work, we were able to employ 4 embedded tutors to make sure all students were able to achieve at their highest level. HHIMS also implemented RISE (Reassessment, Intervention, Service and Enrichment). This allowed the opportunity for teachers to differentiate for all students. As we continued to prepare our students to succeed as global leaders, we were elated to offer Chinese again this year and look forward to expanding the program in the coming years. Although we still have areas of improvement to overcome at each grade level to help our students achieve at higher levels on standardized testing, we are appreciative of the many professional development hours our staff participated in during the school year, as well as the many hours our instructional coaches and administrators put in to prepare for the professional development opportunities. We will continue to remain focused on preparing our students to be successful in an ever-changing world.
